

Cookies Notice and Policy

Last updated: 10 June 2026

Welcome to Treasures Finance website and platform (accessible at <https://treasures.io>) (and such other interface(s) as we may operate from time to time) (the “**Platform**”). The Platform is owned, managed and operated by Protech Technologies Corporation (the “**Company**”, “**we**”, “**us**”, or “**our**”).

This Cookies Notice and Policy (the “**Cookie Policy**”) explains the types of cookies and similar technologies that are utilised by us on our Platform. It also explains what rights and choices you have in respect of the cookies and similar technologies that are utilised by us on our Platform.

The Cookie Policy is incorporated into and forms part of our Terms of Use which is located at <https://treasures.io/legal/terms-of-use.pdf> (the “**Terms**”) and our Privacy Policy which is located at <https://treasures.io/legal/privacy-policy.pdf> (the “**Privacy Policy**”).

Except as otherwise stated in this Cookie Policy, our Privacy Policy will apply to our processing of the data that we collect via cookies.

The Company reserves the right to modify this Cookie Policy at any time and encourages you to review this Cookie Policy each time you access the Platform.

Capitalised terms in this Cookie Policy shall have the meaning given to them in the Terms or the Privacy Policy, unless the context requires otherwise.

What are Cookies and Why Do we Use Them?

1. Cookies are small pieces of text used to store information in web browsers. Cookies are used to store and receive identifiers and other information on computers, phones and other devices. They can also be used for other purposes, such as helping online services troubleshoot errors and better understand how their services are being used. Cookies set by us are called first-party cookies. We also use third-party cookies – which are cookies from a domain different from the domain of the website you are visiting. Other technologies, such as pixels, web beacons, local storage or data that we store on your web browser or device, identifiers associated with your device and other software, may be used for similar purposes. In this Cookie Policy, we refer to all of these technologies as “cookies”.
2. The cookies used on our Platform may be necessary for the provision of certain services, features or functionalities, or may be optional and utilised only for your convenience (such as by personalising content), for advertising or marketing purposes (such as for tailoring and measuring advertisements or personalising advertisements), and/or other purposes. Cookies enable the Company to offer the Platform and the Services to you and to understand the information that we receive about you, including information about your use of other websites and apps, whether or not you are registered or logged in.
3. The cookies that we use include session cookies, which are deleted when you close your browser, and persistent cookies, which stay in your browser until they expire or you delete them.

		more relevant information to users.	

5. The cookies that we use and how we use them may change over time as we improve and update the Platform and our Services.

How Do We Use Cookies

6. We may place cookies on your computer or device and receive information stored in cookies when you use or visit:
- (a) the Platform; or
 - (b) the Services and/or features that are made available on the Platform.
7. Third-party companies (such as Third Party Providers) may also use cookies on their own websites, products, applications and/or services in connection with our Platform and Services. To understand how other companies use cookies, please refer to their respective cookie policies.

Managing Cookies

8. Most browsers allow you to manage how cookies are set and used as you're browsing, and to clear cookies and browsing data. Also, your browser may have settings letting you manage cookies on a site-by-site basis. For example, Google Chrome's settings at <chrome://settings/cookies> allow you to delete existing cookies, allow or block all cookies, and set cookie preferences for websites. Google Chrome also offers Incognito mode, which deletes your browsing history and clears cookies from the Incognito windows on your device after you close all of your Incognito windows.
9. Most mobile devices and applications also allow you to manage how similar technologies, such as unique identifiers used to identify an app or device, are set and used. For example, the Advertising ID on Android devices or Apple's Advertising Identifier can be managed in your device's settings, while app-specific identifiers may typically be managed in the app's settings.
10. Kindly note that if you delete or block certain cookies, you may not be able to use all the Services and Content made available on the Platform.
